SUBJECT	2017 FORMULA RENAULT 2.0 On-board Camera – How to insert driver's name?
PARTS	On-board camera

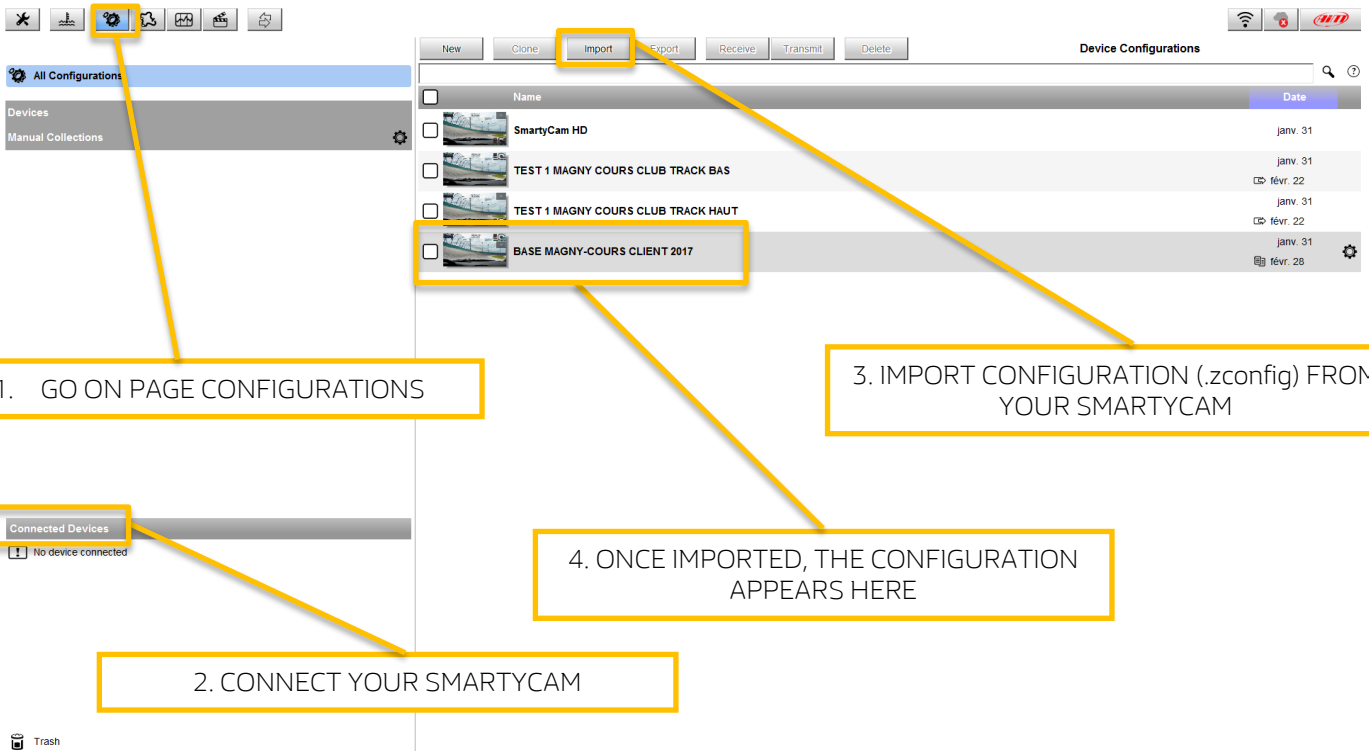

How to insert driver's name on AIM Smarty Cam ?

The AIM Smarty Cam for Formula Renault is delivered ready to run, with a bespoke R.S. frame. As you can see on top left corner, Renault Sport Racing asks you to place driver's name and number in the right-angled defined for (see below).

To place driver's name and number:

- Download RaceStudio3 ([HTTP://WWW.AIM-SPORTLINE.COM/ENG/DOWNLOAD/SOFTWARE.HTM](http://www.aim-sportline.com/eng/download/software.htm))
- Open RaceStudio3
- Then, collect the bespoke R.S. frame from the system (to connect to the system, please use the USB cable provide in the kit and plug it in the Mini-USB port of the SmartyCam display).
- Once Racestudio3 opened :

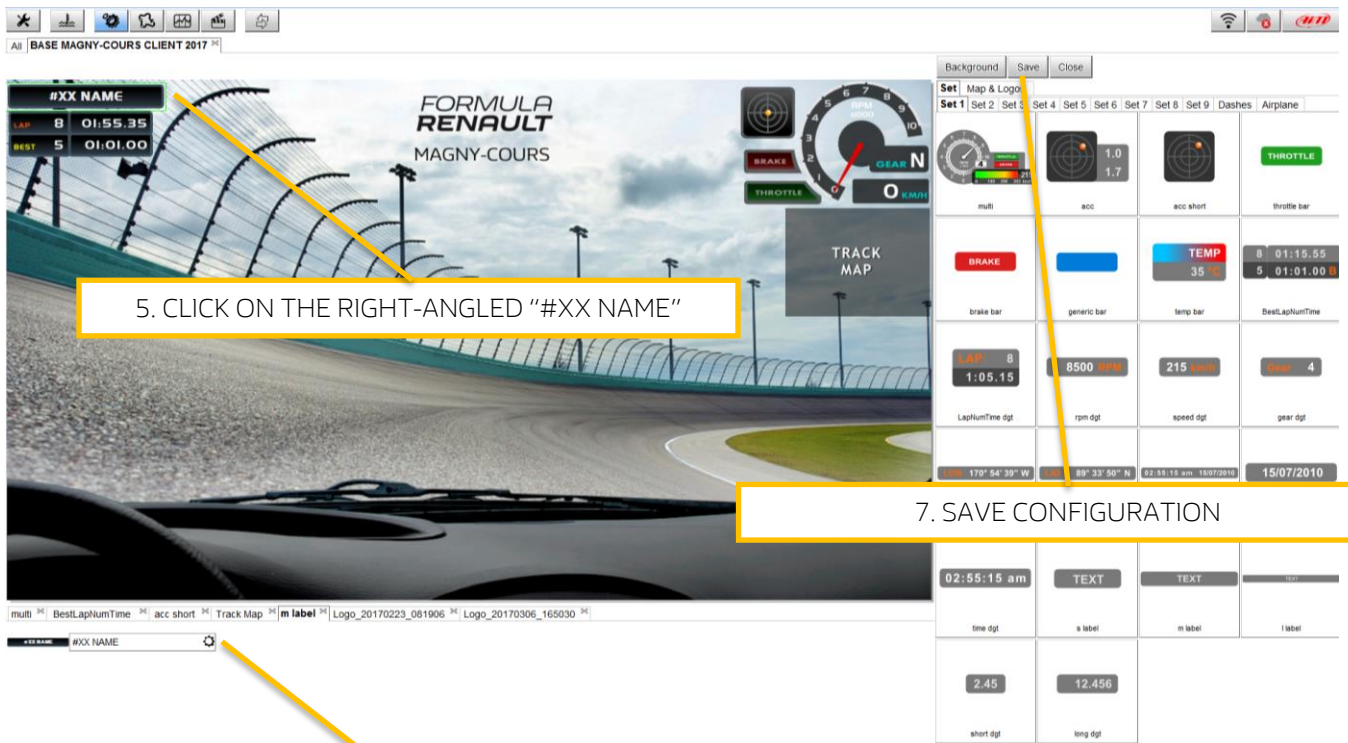

1. GO ON PAGE CONFIGURATIONS

2. CONNECT YOUR SMARTYCAM

3. IMPORT CONFIGURATION (.zconfig) FROM YOUR SMARTYCAM

4. ONCE IMPORTED, THE CONFIGURATION APPEARS HERE

- Then, open the configuration (double click on)
- Click on the right-angled

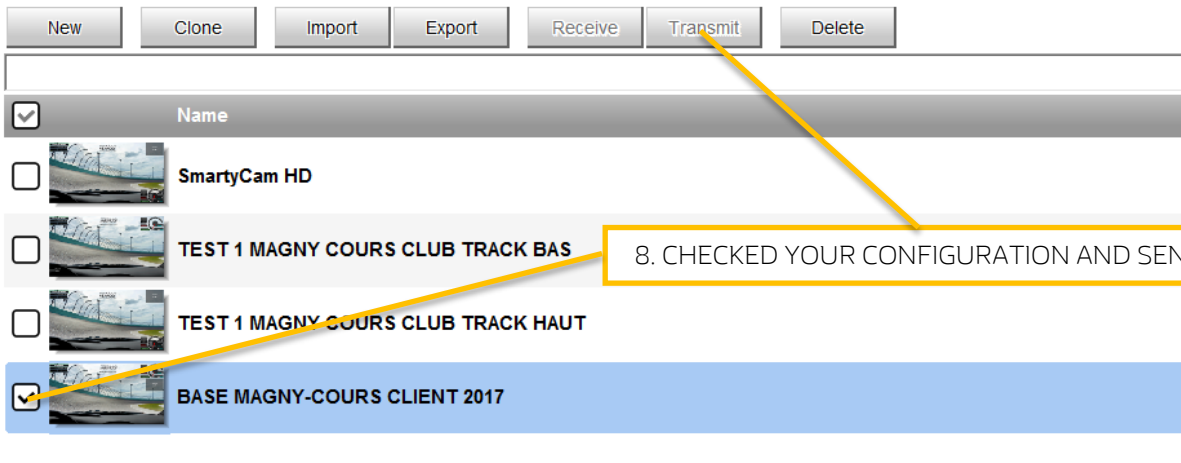

5. CLICK ON THE RIGHT-ANGLED "#XX NAME"

6. CHANGE DRIVER'S NAME AND RACE NUMBER

7. SAVE CONFIGURATION

- Save the new configuration and send it to the display (TRANSMIT) :

The screenshot shows a software interface with a menu bar at the top containing buttons: New, Clone, Import, Export, Receive, Transmit, and Delete. Below the menu bar is a list of configurations. The first row is a header with a checked checkbox and the word 'Name'. The following rows are:

- SmartyCam HD
- TEST 1 MAGNY COURS CLUB TRACK BAS
- TEST 1 MAGNY COURS CLUB TRACK HAUT
- BASE MAGNY-COURS CLIENT 2017

A yellow box highlights the 'Transmit' button, and a yellow arrow points from it to a yellow box containing the text '8. CHECKED YOUR CONFIGURATION AND SEND IT'. Another yellow arrow points from the 'Transmit' button to the 'BASE MAGNY-COURS CLIENT 2017' row.

- Note 1: If driver name is too long, you can use an abbreviation
- Note 2: you can only change the driver's names and number. It's forbidden to change the frame configuration.
